

## Lead Acid Battery Drive!!

Prior to our Household Hazardous Waste Collection to be held in Belmont County on October 24<sup>th</sup>, 2020 the JB Green Team will allow residents to drop off their lead acid batteries at the green tent cell area at our Yard in Wintersville. Located behind the Jefferson County Water/Engineers dept on State Route 43 during business hours ONLY. Monday – Friday, October 13-22<sup>nd</sup> from 8AM-2PM. This is not a regular drop-off site and no other types of hazardous or recyclable materials will be accepted there. No battery drop-offs after Oct 22<sup>nd</sup> permitted, after which all batteries would need to be taken to the HHW Collection at the Belmont County Fairgrounds in St. Clairsville on October 24<sup>th</sup> between 9AM-1PM.
